MESSAGE FROM THE GOVERNOR

MR. SPEAKER:

I am directed by the Governor to return herewith: House Bill No. 2138, with his veto.

EDDIE SISK,
Counsel to the Governor.

Dear Speaker McWherter:

I hereby veto House Bill 2138.

House Bill 2138 directs the Tennessee Department of Transportation to erect and maintain signs on Interstate 40 denoting the location of Johnson Bible College.

Johnson Bible College does not meet the criteria for signing traffic generators as established by the Department of Transportation and approved by the Federal Highway Administration. Specifically, the College does not meet the criteria of an enrollment of 10,000 students in a major metropolitan area and located within a reasonable distance of the interstate. Therefore, the erection of these signs would be contrary to accepted State and Federal guidelines.

I am, however, directing the Department of Transportation to contact the bill's sponsors to determine if other suitable signing arrangements can be made to designate the location of this College.

It is for this reason that I take this action.

MESSAGE FROM THE GOVERNOR

MR. SPEAKER:

I am directed by the Governor to return herewith: House Bill No. 1959, with his veto.

EDDIE SISK,
Counsel to the Governor.

Dear Speaker McWherter:

I hereby veto House Bill 1959.

House Bill 1959 directs the Tennessee Department of Transportation to erect highway signs off Interstate 40 in Knox County to indicate the location and direction of Ramsey House, a historical property site.

This attraction does not meet the criteria for signing traffic generators as established by the Department of Transportation and approved by the Federal Highway Administration. Specifically, the site does not meet the criteria of an annual attendance of 200,000 people for a tourist attraction in the proximity of an interstate highway. Therefore, the erection of these signs would be contrary to accepted State Federal highway signing standards.

I am, however, directing the Department of Transportation to contact the bill's sponsors to determine if other suitable signing arrangements can be made to designate this attraction that would meet State and Federal guidelines.

It is for this reason that I take this action.

RAY BLANTON
